MORRIS v. DE LA TORRE

Order filed

The replacement answer brief filed in this matter on December 22, 2004, refers repeatedly to documents "attached to Appellant's Motion to Augment the Record," which motion appellant filed in the Court of Appeal below on November 8, 2002. Subsequently appellant provided a copy of that motion to this court, which this court's clerk's office stamped "received" on December 28, 2004.

The record in this matter reveals that the Court of Appeal treated the motion to augment

as a motion to lodge exhibits, and granted it as such, with the proviso that the lodged exhibits would be returned to appellant at the conclusion of the appeal. Because there is no indication that the various documents referred to in appellant's December 22, 2004, replacement answer brief ever have been made part of the record in this case, appellant is directed to serve and file in the San Francisco office of this court, by January 7, 2005, a motion to so augment the record in this case.
